Name, Address

Dear xxxxx,

Sail Training International is the world's leading organiser of races and events for sail training vessels. We also organise conferences and seminars, research and other services for the international sail training community. Our members are the National Sail Training Organisations throughout the world.

We are a registered charity whose charitable objectives are the development and education of young people, regardless of nationality, religion or social background, through sail training so that they may grow to full maturity as individuals and members of society and their conditions of life may be improved. For our work in this field we were nominated for the Nobel Peace Prize.

As the leading authority in Sail Training we fully endorse the work carried out by XXXXXXXXXXXX and encourage your support of them in achieving their mission.
