TIME CORRECTION FACTOR AND VESSEL MEASUREMENT FORM

Vessels taking part in the Liberty Tall Ships Regatta 2019 are all rated. This allows them to race together regardless of size or rig. Vessels are placed in classes according to the current edition of Sail Training International Racing & Sailing Rules & Special Regulations. In order for vessels to be rated, a comprehensive set of measurements is required to calculate the Time Correction Factor (TCF). Vessels that are new to the Tall Ships events and have not been rated, or those that want their rating verified, or which have altered their measurements in any way, should apply to the Race Office for a Vessel Measurement Form. The measurements should be taken to the nearest 2 centimetres or 1 inch, and must be certified correct by a yacht designer, official measurer of the Royal Ocean Racing Club or similar national authority, a shipyard manager, the Race Director or a technical consultant of Sail Training International.

I/We require a Measurement Form to submit measurements of my/our vessel for a Time Correction Factor to be issued. (Please ✓/tick appropriate box)

LIBERTY TALL SHIPS REGATTA 2019 – VESSEL PARTICIPATION

Vessels taking part in the Liberty Tall Ships Regatta 2019 are required to stay in the host ports for all 'official visit' days as listed on the first page of this Entry Form. All vessels will need to arrive in Rouen by 12:00 on Thursday 13 June, in Scheveningen/The Hague by 12:00 on Thursday 20 June and in Aalborg by 12:00 on Wednesday 3 July. Vessels will need to take part in the parade of sail in Rouen on Sunday 16 June, in Scheveningen/The Hague on Sunday 23 June and in Aalborg on Saturday 6 July, as this is an important event for the ports and is an occasion when we can thank the local people for their hospitality and kindness.

Vessel operators and captains/masters are to make sure that any sailing plans or charters scheduled to commence after their vessel has left the Liberty Tall Ships Regatta 2019 should be designed so that their vessel can remain in port for the designated official days and does not have to leave early. Vessels deciding to leave early will have no assistance in doing so from the organisers and must expect pay full commercial rates for tugs, pilots, etc.

I/we agree that my/our vessel will arrive in each host port as outlined above on the first day and stay until the Parade of Sail on the last day.
