Knowledge of basic boat maintenance would be useful.

You will be motivated and enthusiastic in driving the training centre forward and developing a high quality service.

You will be passionate about instructing and want to put your skills into practice in our setting and as part of our team.

### **About us**

The Marine Society & Sea Cadets (MSSC) is the nation's largest maritime charity and the governing charity of the Sea Cadet Corps (SCC), a civilian voluntary youth organisation comprising some 400 or so volunteer Sea Cadet Units, throughout the UK.

The SCC offers a wide range of youth opportunities with the same enduring objective – to foster good citizenship in the community.

The centre is located within MoD CALEDONIA and the boat station is a short drive across the Forth Estuary, in Port Edgar Marina with boating taking place between the historic bridges. Windsurfing is taught in the picturesque location of Lochore Meadows Country Park.

The training centre is open for 50 weeks of the year and offers an interesting and diverse training plan. The main portion of this is for Cadet training (12 to 18 year olds).

The MSSC is committed to build a brand new training facility at Port Edgar starting next year.

The post can be demanding and working hours are as determined by the training programme, which will include evening and weekend working.

**For an informal discussion about the role, please contact the training centre on 01383 858326.**
