**ADVANCE NOTICE
SAIL TRAINING INTERNATIONAL
THE TALL SHIPS RACES 2019
(3 July – 4 August)**

Thank you for entering The Tall Ships Races 2019. We look forward to seeing you next summer.

This Advance Notice is to provide owners, vessel operators and Masters/Captains with information about the plans made so far for The Tall Ships Races 2019 and associated events. Further information is available at www.tallshipsraces.com and will be issued by Sail Training International in the “Arrival Arrangements” document, which will be posted on the website approximately six weeks before the start of the Race Series.

Each host port will also produce a detailed Captains’ Manual, which will be available on the Captains’ Page of the website here <http://www.sailtraininginternational.org/vessels/captains-page>, and a printed copy will be given to each vessel in port.

If you require any other information, please do not hesitate to contact us. If this is your first Tall Ships Race and you wish to have more detailed advice, we would be happy to put you in contact with an experienced vessel operator from your country, who would be willing to talk things through with you.

The following files can be downloaded from the Captains’ Page on our website at www.sailtraininginternational.org/vessels/captains-page

1. The current edition of the Racing & Sailing Rules
2. Crew List Form (EXCEL spreadsheet)
3. Vessel Life Saving Appliance Check List
4. Sail Training International Memorandum on Safety

Owners and Captains/Masters **MUST** read these documents to help them prepare for this year’s Races.

RACING & SAILING RULES 2019

The latest edition of the Racing & Sailing Rules and Special Regulations will be available to download from the **Captains' Page** on our website: www.sailtraininginternational.org/vessels/captains-page.

Race One (Aalborg to Fredrikstad), and Race Two (Bergen to Aalborg), are both designated as Category 2 in accordance with Rule 2.02 of the Racing and Sailing Rules 2019.

All vessels are required to have an active AIS transponder on board.

Participants are urged to make sure they study and use the Current Edition of the Racing & Sailing Rules and Special Regulations.

SAIL TRAINING INTERNATIONAL RULE OF RATING AND RACE PRIZES

Each registered vessel will be issued with a Rating Certificate which will be calculated by Sail Training International's unique Rule of Rating which ensures that all vessels will be able to race equally on corrected time. All new vessels to The Tall Ships Races will be provided with a Measurement Form which will need to be completed in advance.

Trophies will be awarded for first, second and third places per class on corrected time, and for first on elapsed time (line honours) and overall on corrected time for each race leg. There will be many other special prizes for competing vessels, including for the best crew in the crew parade. Vessels from all classes competing in all race legs will be eligible for the overall race series prizes.

The principal award will be The Tall Ships Races 2019 Friendship Trophy which will be awarded to the vessel which, in the opinion of the competing captains and crews, has contributed the most to international understanding and friendship.

RACE POSITION REPORTING AND MARINE COMMUNICATIONS EQUIPMENT

For safety reasons, and to help the interest of the young crews during a race, Sail Training International organises a twice-daily radio schedule. Vessels' positions are passed over the radio and logged by the communications vessel. The corrected placings are then re-broadcast so that they may be plotted for all on board to see. Results and charts showing the fleet's positions are also posted onto the race websites at www.tallshipsraces.com.

Full Sailing and Communications Instructions are to be collected by Captains/Masters on arrival, from the Sail Training International Race Office in Aalborg for Race 1 and in Bergen for Race 2.

Radio schedules will be conducted either on MF, VHF or satellite phone. The MF frequency used will be 4146 KHz. The VHF frequency used will normally be channel 77. Any change to these frequencies will be notified in due course. Race starts are normally conducted on VHF channel 77. Please note that a VHF radio and type approved 406 MHz EPIRB are compulsory for these races.

SATELLITE TRANSPONDERS

Sail Training International will again provide participants with a 'YellowBrick' satellite transponder for The Tall Ships Races 2019. There will be no charge to the participating vessels but the 'YellowBrick' transponder will be the responsibility of the Captain/Master until they return it to Sail Training International at the end of the last race that they participate in. Captains/Masters will need to sign to this effect.

We hope that everyone will appreciate the significant benefits that this scheme brings to vessel operators and their sponsors, as well to the crews and their family and friends ashore who wish to follow their vessel's progress.

For more information about the 'Yellowbrick' satellite transponder, please go to: www.ybtracking.com.

CREW CHANGES

Vessel operators and Captains/Masters are reminded that the social programmes in each of the four ports are designed to a similar pattern [see "Draft Port Programmes"]. The main crew activities - sports, prize-giving and crew party – **are usually held on the second day** of the official port dates.

In order to allow a vessel's trainee crew to gain maximum benefit from the social programme and, in particular, to take part in the prize-giving and crew party which follows it, **it is strongly recommended that crew changes are conducted on the third day of the official port dates.**

Many vessels do this already and crew changes often take place in the very early hours of day three. Our experience is that trainees who have to leave their vessel before the prize-giving and crew party feel they are being deprived of an important part of the whole "experience" and would much prefer to have the chance to stay for those events, even if it means having to travel late at night or early in the morning. For 2019 the recommended crew change dates are:

Aalborg - Friday 5 July; Fredrikstad – Saturday 13 July; Bergen – Tuesday 23 July; Aarhus – Saturday 3 August.

CRUISE-IN-COMPANY: FREDRIKSTAD, NORWAY TO BERGEN, NORWAY

A Cruise-in-Company is planned between Fredrikstad and Bergen, both in Norway, giving ships the chance to visit some guest harbours between the two ports. These guest harbours are busy working to welcome the fleet with the best they have to offer. The Cruise-in-Company brochure will be found at the Captains' Page on our website: www.sailtraininginternational.org/vessels/captains-page.

VESSEL LIFE SAVING APPLIANCES INSPECTIONS (rule 12.2.1)

All vessels will be required to conform to the Sail Training International Special Regulations in the Racing & Sailing Rules and Special Regulations, Current Edition. The Vessel Life Saving Appliances Report form **MUST** be completed prior to each race and signed by the Captain/Master and presented to the STI Race Office within 12 hours after the official start of the port event (see draft port programmes). Sail Training International will endeavour to inspect all vessels before the Race start.

VISAS

Visa Requirements for UK, DENMARK and NORWAY

Individual race entrants are responsible for ascertaining what visas or other documents will be required by their ship's company when arriving in the UK, Denmark, Norway and The Netherlands and to obtain such visas themselves. Captains/Masters should note that ships or crew originating from any EU and Schengen countries^{Note1} do not need visas to visit any of this year's ports. However, they are advised to check that individual crew members conform to this requirement. Lists of countries whose citizens do require visas can be obtained from any of the host ports.

Note 1: The Schengen countries are: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden and Switzerland. All these countries except Norway and Iceland are European Union members.

Please be aware that Russian ships will have to contact the relevant countries' consulates since they will need visas for entering the Schengen area.

VISAS FOR NORWAY: Most visitors from countries outside the EU/EEA must apply for a visitor's visa:
<https://www.udi.no/en/want-to-apply/visit-and-holiday/>

IMMIGRATION RULES FOR DENMARK: According to new Danish immigration regulations as from September 2017 all crew members must show their passport upon arrival in Aalborg. The police plan is to meet the crew onboard the ship before they disembark.

DIPLOMATIC CLEARANCE – Military Vessels

Military vessels taking part in the Races will need diplomatic clearance to enter foreign territorial waters. Captains/Masters of military vessels are reminded to make sure that the period of time they have applied for takes into account the possibility of their vessel finishing the Race early and arriving in port outside the published official port dates. They are also advised to ensure that they have clearance for the Cruise-in-Company area of sailing and intended visit ports.

CLASS A

SHIP OPENING TIMES TO THE PUBLIC

The Tall Ships Races usually attract hundreds of thousands of visitors during the festivities in the host ports, and there is often huge interest in visiting ships. It is therefore greatly appreciated if ships would open their decks to the public.

Whilst it remains at the discretion of the Captain/Master to decide ship opening times, ports have suggested that the following times would be appropriate for ships to be opened to the public:

Aalborg	Times between 1000 and 2100
Fredrikstad	Times between 1000 and 2100
Bergen	Times between 1000 and 2100
Aarhus	Times between 1000 and 2100
