# Welcome to Aalborg

It is a great honour to see The Tall Ships Races return to Aalborg once again. I remember The Tall Ships Races in Aalborg mostly for the incredible sight it is to see the many ships sail into our harbour. To see the ships, once again, gently roll in on the waves of the Limfjord is going to be wonderful. Not to mention seeing the ships berthed side by side with the Limfjord bridge in the background.

This time it is something very special – a bit more than usual. It is our 20 years anniversary. Aalborg hosted The Tall Ships Races for the first time in 1999. During the years, this amazing event has visited Aalborg five times – this summer included. A fact of which we are very proud.

Four amazing days await us all. Four days where both sides of the Limfjord will be alive and pulsating. The Tall Ships Races spread a unique vibe and atmosphere throughout the city. The streets will be crowded with excited citizens, tourists and crew members, who are all enjoying themselves.

We are very happy and proud to greet you, your ships and your crew. We hope you will enjoy your time in Aalborg and take in the festive events during your days here. There will be a vibrant music scene, a harbour front buzzing with life, and a record-breaking display of fireworks.

We have done our very best to ensure you have a great few days here. From the entire City of Aalborg – welcome and enjoy your stay.

**Mayor of Aalborg**

Thomas Kastrop-Larsen

For instruction on passage of "Nordjyllandsværket", please see page 7 "Procedures" and Appendix "Chart - Passage of Nordjyllandsværket".

## Tides

Under normal weather conditions, the tidal range is between plus/minus 0.5 meters according to the main sea level.

The distance Hals - Aalborg is approximately 16 nautical miles.

## Frequencies

"Port Control Aalborg"	VHF channel 13 (in the Limfjord and port area)
Emergency/Distress calls	VHF channel 16
Limford Pilot	VHF channel 16

## Call Signs

The call is "Port Control Aalborg"

## Procedures

When approaching the Limfjord please switch to VHF channel 13 and maintain listening position on this channel.

All ships must call "Port Control Aalborg" on channel 13 one hour before entering Aalborg central harbour. Port Control Aalborg, telephone: + 45 99 82 10 40

"Port Control Aalborg" will provide you with current information regarding:

- Traffic situation into Aalborg
- Expected weather and current stream
- Your next reporting point
- Availability of tug
- Berthing place in Aalborg

### Passage under power-lines/Nordjyllandsværket:

When passing "Nordjyllandsværket" in the Limfjord, ships with an air draught exceeding 49 metres must take the alternative route for air draught up to 63 metres. See Appendix "Chart - Passage of Nordjyllandsværket".

Please call "Limfjord Pilot" on VHF channel 16 and "Port Control Aalborg" on channel 13 or telephone: + 45 99 82 10 40 four hours before entering the alternative route.

### Passage – The Limfjord Bridge

Any passage through the Limfjord Bridge is coordinated by the bridge control. The bridge control can be contacted on VHF channel 16 and 12.

## Pilots

### Eastern approach from Hals Barre to Aalborg

Pilot is compulsory for ships with a draught of 6 meters and above.

### Western approach between Logstor and Aalborg

Pilot is compulsory for ships with a draught of above 3,1 meters.

### Passing the Oddesund Bridge

Pilot is compulsory for ships with LOA of 35 meters and above.

### Passing the Railway Bridge in Aalborg

Pilot is compulsory for ships with LOA of 53 meters and above.

Pilots will be available free of charge for all ships obligated to comply with local pilot regulations.

### Local contact details for Limfjord Pilot:

E-mail: 24h@limfjordpilot.dk

Telephone. +45 9152 8888

VHF: Ch 12/16

To order a pilot – Limfjord Pilot instructions must be followed:

<http://limfjordpilot.com/booking.html>

Ships requesting a pilot should call "Limfjord Pilot" on VHF channel 16 four hours before arrival at the Pilot Station (See the pilot stations Hals no 1,2 and 3 in the chart no 100, 101 and 122).

## Tugs

Tug assistance will, if necessary, be provided for ships with an air draught of more than 49 meters through the alternative route, special marked channel to clear "Nordjyllandsværkets" power lines.

In Aalborg central harbour tug assistance will be available from Tuesday July 2nd free of charge.

Requests for tug assistance in the Aalborg central harbour should be made to "Port Control Aalborg" on VHF channel 13 or on telephone + 45 99 82 1040 as early as possible, but at the latest one hour before entering the Aalborg central harbour.

## SafeSeaNet and Immigration

Under EU regulation 2017/458 all ships must be registered with and use SafeSeaNet portal when entering Denmark; [nsw.safeseanet.dk](http://nsw.safeseanet.dk)

### SafeSeaNet

If you already have a Danish SafeSeaNet account, log on with your existing username and password.

If you have forgotten your password, please use the "reset password link" at [nsw.safeseanet.dk](http://nsw.safeseanet.dk), and you will receive an e-mail with a link, to the e-mail address connected to your SafeSeaNet account.

If you cannot remember neither username nor password, please contact [safeseanet@safeseanet.dk](mailto:safeseanet@safeseanet.dk) no later than June 24th, 2019.

You do not have to do the reporting yourself, you can hire a local ship agent to do the work for you.

The request form, documents to be downloaded to SafeSeaNet and a guide to the use of SafeSeaNet - specifically for The Tall Ships Races 2019 - can be downloaded on the following [www.tsraalborg.dk/en/captains-page/the-use-of-safeseanet/](http://www.tsraalborg.dk/en/captains-page/the-use-of-safeseanet/)

**To gain access to the Danish SafeSeaNet, please see below instruction:**

1. If you do not have an existing SafeSeaNet account, send the request form "Claim form to the Danish SafeSeaNet" to [Safeseanet@safeseanet.dk](mailto:Safeseanet@safeseanet.dk) no later than June 24th, 2019.
2. A password and username will be sent to you by e-mail.
3. Log on to SafeSeaNet and upload the required data – The Tall Ships Races 2019 excel spreadsheet - prior to departure from your last port or as soon as possible. Latest reporting is 24 hours before arrival.

Excel spreadsheets to be filed:

- Crew list
  - Pax list
  - Ship stores (customs)
  - Waste and residues
4. Latest 1 hour after arriving in the port of Aalborg, log on to SafeSeaNet again, and insert actual time of arrival (ATA). The report will then change status to completed.
  5. Latest 24 hour before departure, log on to SafeSeaNet and create a departure report.
  6. Latest 1 hour after departure from port of Aalborg, log on to SafeSeaNet again, and insert actual time of departure (ATD). Report will then change status to completed.

If you have any questions to the above, please contact [safeseanet@safeseanet.dk](mailto:safeseanet@safeseanet.dk)

## Immigration

### State and Navy Vessels

State and navy vessels are not required to use SafeSeaNet. However, all state and navy vessel are required to notify North Jutland Police of those who are embarking or disembarking in Aalborg via Email: [njyl-graensekontrol@politi.dk](mailto:njyl-graensekontrol@politi.dk)

You can download the transferlist on [www.tsraalborg.dk/en/captains-page/embarkation-and-disembarkation/](http://www.tsraalborg.dk/en/captains-page/embarkation-and-disembarkation/)

State and navy vessels are required, no later than 4 weeks prior to the event, to have applied for Diplomatic clearance through their own respective embassies on Danish soil.

### Passport control and visa:

The Danish National Centre for Foreigners (Nationalt Udlændinge Center/NUC) has decided that all participating ships in the Tall Ships Races are to be processed in accordance with regulations for cruise ships. This means that the following must be observed:

Passport control for all individuals when embarking and disembarking, except for passengers commencing their "cruise" in a Danish port, where the destination is a Schengen port, outgoing inspections are not performed.

All crew members must hold a valid passport and visa when necessary. Citizens from non-EU countries and/or those who require a visa must apply for it prior to arrival. The requirements for a visa will depend on the nationality of the individual. Failure to be in possession of a valid visa may render the individual in question liable to depart from Denmark at the ship's expense.

### About embarkation and disembarkation:

All ships are required to send lists of individuals embarking or disembarking in Aalborg to the local police (North Jutland Police) by e-mail: [njyl-graensekontrol@politi.dk](mailto:njyl-graensekontrol@politi.dk) no later than 24 hours before arrival.

You can download the transferlist on [www.tsraalborg.dk/en/captains-page/embarkation-and-disembarkation/](http://www.tsraalborg.dk/en/captains-page/embarkation-and-disembarkation/)

For individuals disembarking in Aalborg, passport control will be performed upon arrival in Aalborg.

### Contact with the local police:

If you have any questions concerning embarkation and disembarkation, the police can be contacted directly by telephone: +45 30 51 68 59 from July 1st until the end of the Tall Ships Races event in Aalborg.

Ships, masters or SSO's that have specific requirements in connection with "ship security" should in due time, and no later than before departure from the last port before Aalborg, make the necessary arrangements for the issuing of "document of Security" in collaboration with the Port of Aalborg.

Please note that the Port of Aalborg takes reservation for the types of security arrangements that can be established.

# Berthing

## Special Berthing Instructions

Aalborg Harbour is open 24 hours. Berthing will be possible from Sunday June 30th, 2019. Please announce your time of arrival at the earliest possible time.

The berthing plan is enclosed – see Appendix. Possible changes will be informed to the ships in question in due time.

All ships are requested to berth with the bow facing west.

### Fenders and Gangways

All vessels are expected to provide their own fenders and means of access to the shore.

The quays either have wooden fenders or concrete walls wherefore it is necessary to moor with own fenders.

Most of the class C and D ships have to moor alongside other ships and it is important that the ships have their own fenders to use between the ships.

### Line handlers

If you announce your time of arrival at least one hour before entering the Aalborg central harbour, line handlers will be present at the quay.

### Ships' Safety

When in harbour, ships are advised to make sure that a lightning rod is installed.

Ships with a large mast height must mark the masts with a topleight (class A-ships).

Ships are required have outboard towlines in case of fire (for larger ships wires are compulsory).

## Formalities

### Dress ship

The ships are invited to "Dress Overall" during the stay in Aalborg, weather permitting.

### Colours

The colours should be hoisted and hauled according to the following:

Monday July 1st	08:00	22:11
Tuesday July 2nd	08:00	22:10

## Crews' Party 8

Crews are invited to a spectacular party held at Nordkraft on Thursday July 4th from 19:30 - 23:00.

All crew members will be able to enjoy a night of fun with delicious food, dancing, and music for every taste as different concert halls will present different types of music.

Admission is strictly restricted to crew members wearing the race crew wristband. Crews will in addition be receiving a wristband with three snips that can be exchanged to drinks.

Drinks will be issued to crew members according to the colour of their wristband. Crew under 18 (white wristband) can exchange the snips to soft drinks, and crew over 18 (green wristband) can exchange the snips to beer, wine and soft drinks.

Alcohol will not be served for crew under the age of 18, and it is not allowed to bring your own alcohol.

Captains are expected to send at least one officer from their ship to the crew party to supervise crew and trainees.

## Crew Parade

Crew Parade takes place on Thursday July 4th starting from Nørresundby and Aalborg.

The parade will go through the town accompanied by different bands and end up at Havnescenen (main stage), Slotspladsen.

Crews are expected to attend and are encouraged to entertain, sing and dance their way through the city.

Meeting time at the starting points is 15:40

Departure from Nørresundby "Under the bridge": 16:00

Departure from Aalborg "Pakhuset": 16:00

The liaison officer will accompany the crew on the route and informed of the line up positions. See Appendix "Crew Parade Line up"

## Crew Parade Route

## Prize Giving Ceremony 9

The Prize Giving Ceremony will take place immediately after the Crew Parade when the parade arrives at its end destination – Havnescenen (main stage), Slotspladsen at approximately 17:00.

Mayor Thomas Kastrup-Larsen and a STI representative will present the prizes to the crews.

The City of Aalborg will be handing out the following prizes:

- Best dressed crew in crew parade Class A
- Best dressed crew in crew parade Class B, C, D
- Oldest ship
- Ship furthest away from home port
- Environmental award
- Most spectacular arrival
- Best dressed ship in port
- Most musical crew
- Friendliest open ship experience for the public

## Crew Activities

Crews will receive a crew manual with practical information regarding services, activities and a general map of the event area upon arrival.

For a description of specific crew activities, information about registration and practical information, please see Appendix “Crew Activities”.

# City Cultural Programme

## Public visit to the ships (open ship)

The Tall Ships Races is the most popular event in the entire region of North Denmark, and many visitors have come a long way to see and visit the ships.

When you have no other activities on board, we encourage you to invite the public on board and give them an unforgettable experience.

In the cultural programme, we will inform the public that ships will be open to visits when it is announced by means of the ships' signs or beach flags on the quay.

We kindly ask for your co-operation.

## Parade of Sail

At the Captains' Briefing on Friday July 5th departure plans and information regarding radio service and detailed procedures will be distributed.

Parade of Sail is planned to start at 13:00.

### Standard procedures:

- Radio communication on VHF Channel 13 (listen and do not talk)
- Distance from berth to Point of Parade is approximately 6 nautical miles
- Parade speed is 6 knots. It can be increased if necessary
- Set the sails as soon as possible
- The Parade of Sail will pass south of the ship "Brita Leth" and the schooner "Maja" at the saluting point.
- After passage of the Point of Parade sailing will be at the starboard side of the fairway to make space for other passing ships.
- Listen on VHF Channel 13 for any changes to the parade regarding speed, distance between ships, weather forecast and other important information.

See the route in Appendix

"Route - Parade of Sail and Saluting Point".

# Liaison System

## Liaison Officers

Aalborg has assigned a liaison officer to each ship. The liaison officers will wear blue t-shirts and credentials. The liaison officer team is available from July 2nd, and your ship will be met by your liaison officer soon after your arrival in Aalborg.

The liaison officers are both men and woman, many with a maritime background, who have volunteered their fulltime service to the ships during the Tall Ships Races in Aalborg.

The liaison officer will be at your service every day and will report on board after the early liaison officers briefing every morning. You can expect to see your liaison officer around 08:30.

Through the liaison officer, we will provide you with important information and keep you up to date on any revised or new material or activities. The liaison officer will also be able to guide you in the matter of activities planned for captains and crews. Your liaison officer will also be happy to assist you with any queries you may have and to help with various arrangements that may be required during your stay in Aalborg.

## LO Operation Centre ①

The liaison officers will be operating from the LO Operation Centre, which is located at TSR 19 headquarters, Rendsburggade 14.

The LO Operation Centre will be fully manned from 08:30 - 20:00 every day.

All liaison officers will be equipped with a mobile telephone to ensure contact between you and the liaison officer, but if for any reason you cannot contact your liaison officer, please contact the LO Operation Centre and the LO staff will then make the necessary arrangements.

From July 1st - July 6th you can contact LO Operation Centre on telephone: + 45 99 82 10 41

# Ship Services

## Port Authority of Aalborg

During the Tall Ships Races, the Port of Aalborg has transferred the authority of the planning, services and logistics related to participating ships to Port Control Aalborg (part of the Liaison Committee).

The Port of Aalborg harbour master still has the overall authority of all activities in the harbour area within the harbour limit.

## Fuel

Upon arrival in Aalborg, the ship is to fill out the fuel requisition form (see appendix) and return it to the liaison officer.

Fuel is at the ship's own expense.

Terms of payment: cash on delivery.

Fuel will be delivered between 07:00 - 11:00.

## Water

Class A ships can request water through the Liaison Officer. The water requisition form (see appendix) is to be returned to the liaison officer the day before the requested delivery.

Trained personnel will handle the supply of water.

Water will be delivered between 07:00 - 11:00

There is one filling free of charge per ship. Additional supply of water will be at the ship's own expense.

For class B, C and D ships water will be supplied from quayside installations as needed and free of charge.

The water requisition form is to be given to the liaison officer after which trained personnel will fill the tank.

## Electricity

Electricity is available free of charge from quayside installations.

Class A ships are, however, encouraged to use their own generators.

The request for the connection to the power supply is made to the liaison officer upon arrival.

## Waste

Waste and garbage bags must be disposed of by means of the big waste containers evenly placed alongside all the quay areas.

Please use them. No waste may be led out into the water!

For other waste products (for instance faecal tanks) contact the liaison officer.

### Waste management/recycling

All waste containers are collected and driven to Aalborg Municipality's disposal facility where it is sorted – plastic and metal to be recycled and all other waste to be burned to produce energy and heating.

### Sewage

Ships that require emptying of sewage tanks and bilge water are to fill in the sludge requisition form (see appendix) and hand it to the liaison officer.

Sewage and bilge water will be collected by a special vehicle and should not be pumped overboard.

Sewage will be collected between 07:00 and 11:00.

Terms of payment: Cash on delivery.

### Sludge

Ships that require collection of sludge are to fill in the sludge requisition form (see appendix) and hand it to the liaison officer.

Sludge will be collected by a special vehicle and should not be pumped overboard.

Sludge will be collected between 07:00 and 11:00.

Terms of payment: Cash on delivery.

## Gas

In Denmark propane can only be provided if the ship has a "Kosan propane system". Existing bottles cannot be refilled, but Danish LPG bottles and connections can be made available.

Propane, Danish LPG bottles and connections are at the ships' own expense.

Please contact your liaison officer if needed.

## Repairs

In case of technical repairs or other logistical requirements on board the ship, please report this to the liaison officer who will then obtain the help required.

The following service and repair facilities are in the harbour:

- Sail maker
- Ship and boat builders
- Ship installations
- Ships handlers
- Ship machine works
- Safety equipment
- Navigation equipment
- Lift service

## Delivery of Goods and Equipment

For security reasons vehicles are not allowed to drive in the event area during opening hours from 11:00 - 24:00 from July 2nd - July 6th.

This means that if you have a delivery of goods or equipment planned while you are in Aalborg, it should be delivered to the ship between 06:00 - 11:00. Hereafter the event area is closed and only open to pedestrians.

## Coach Collection Point 10

During opening hours from 11:00 - 24:00, coaches dropping off/picking up crews cannot drive directly to the ship. Therefore, we have established we have established two coach collection points from which the crew can reach their ships by foot.

## Communication

Contact your liaison officer if you wish to send emails via LO Operations Centre otherwise you can use the Internet café at the crew center. 1 11

# Crew Services

## First Aid

First aiders will patrol the event area during opening hours, and first aiders will also be equipped with a heart starter. Heart starters are also located on various locations in the berthing area as well as in the five info points placed on both sides of the Limfjord. All info points will be able to provide crews with band aid if needed.

A First Aid tent will be located at Havnehuset. First aiders will be able to treat small injuries on site and evaluate injuries to be referred to hospital treatment. A doctor will be present at certain times.

The First Aid tent is manned as follows:

Tuesday July 1st - Thursday July 4th: 07:00 - 24:00

Friday July 5th: 07:00 - 01:00

Saturday July 6th: 07:00 - 14:00

## Incidents and Emergencies

All emergencies should be reported immediately to the **National Emergency Phone number (Ambulance, Fire and Police): 112**

Afterwards, please contact your liaison officer who will then report the incident to the Port Committee and LO Operation Center.

Should a member of your crew become ill and need medical attention which is not acute or need to see a dentist, please contact your liaison officer or the LO Operation Center, and they will make the necessary arrangements.

Doctor outside working hours: Telephone +45 70 15 03 00

## Crew Centre 11

The Crew Centre is located at Østre Havn near one of the two crew service centers.

The Crew Centre is a large mobile truck fully equipped with 18 computers with internet access and printers – use is free of charge.

Surrounding the Crew Centre is a nice rest area with outdoor furniture and different games.

A supermarket as well as food and drinks stands are located near the Crew Centre area, and here crews can purchase snacks and beverages.

### Opening hours:

July 2nd: 16:00 - 18:00

July 3rd - July 5th: 10:00 - 18:00

July 6th: 10:00 - 12:00

## Laundry Service

The washing of clothes is free of charge and will be handled by a professional laundry service.

Each crew member must gather his/her laundry in a laundry bag and fill out a laundry form before they deliver laundry in one of the two Crew Service Centers as appointed by the liaison officer. Laundry bags and forms will be distributed to crew by the liaison officers.

Please note that the laundry service is only for the washing of clothes, and there is a limit of maximum 6 kilos per person per wash!

### Delivery and pick-up times

Wednesday July 3rd: Delivery at 16:00 at the latest (can be picked up at the appointed Crew Service Centre Thursday July 4th at 13:30)

Thursday July 4th: Delivery at 12:30 at the latest (can be picked up at the appointed Crew Service Centre Friday July 5th at 17:00)

Friday July 5th: Delivery at 16:00 at the latest (can be picked up at the appointed Crew Service Centre Saturday July 6th at 10:00) – reminder that on Saturday July 6th, you must bring your own bag for the dry laundry.

## Crew Service Centre 13

Two Crew Service Centers are located in the berthing area; one on each side of the Limfjord.

The Crew Service Centers have the following facilities:

- Dedicated showers and toilets for crew only
- Laundry Service

### Openings hours:

Wednesday July 3rd - Friday July 5th: 07:00 - 22:00

Saturday July 6th: 07:00 - 13:00

## Transport

### Bus

Crews will be able to use the public city busses free of charge. If you want to use the city buses in Aalborg for free, you can contact the LO Operation Center in the TSR 19 Headquarters and get a bus wristband.

The bus wristband must be presented in the bus to the driver, and it is your ticket.

Please note that the TSR 19 crew wristband does NOT provide access to the busses.

### Shuttle ferries

Ships will be berthed on both sides of the Limfjord (Aalborg quay and Nørresundby quay). You can cross the Limfjord by means of the Limfjord Bridge, but also by means of a shuttle ferry at each end of the berthing area.

Crews can use the shuttle ferries for free by presenting their TSR 19 crew wristband to the shuttle ferry crew. Please note that in case there is a queue when boarding the ferries, crews are expected to wait in line with other passengers waiting to board.
