| <b>Description of Position</b> | <p>A 40m tall ship is currently looking for a Chief Engineer holding a minimum of MCA MEOL(Yacht). This role will involve sailing as the sole engineer on board, rostered on a flexible rotational basis, working around 6 months a year; this could be negotiable. The tall ship is operated by a charity on a diverse schedule including but not limited to ocean exchange programs, oceanography lessons and working with underprivileged children. Her cruising areas include the UK, France, Ireland, Central America and the Caribbean. The job would start at the beginning of June. If you would like to work onboard as professional crew with a management passionate about making new and exciting programs, please contact us.</p> |                                      |  |
