

2024 CANADA LEGACY FUND EXPRESSION OF INTEREST

This form is to provide a summary of your proposed project for review by the Funding Committee. If the funding committee approve the expression of interest a full STI funding application can be submitted. This does not guarantee funding for the project.

Please complete the details below. The funding committee will be in touch if more details are required.

A full application form will be necessary to apply for the fund if the committee accept the expression of interest. This does not guarantee funding for the project.

Please consult the application guidance noted before completing this expression of interest.

Expression of Interest Deadline: 11th August 2023
