THE TALL SHIPS RACES 2024 VESSEL PARTICIPATION

Vessels taking part in The Tall Ships Races are required to stay in the host ports for all 'official visit' day as listed on the first page of this Entry Form. The official days start at 12 noon on the first day of each port visit and include the parade of sail on the day of departure, as this is an important event for the ports and is an occasion when we can thank the local people for their hospitality and kindness.

During the "official visit" days in each host port, ships will be open to the public. Specific opening times to be agreed with the individual host ports and to allow for ships' logistic requirement, however visitors must be able to visit the ships during the main event hours each day, unless otherwise specifically agreed with the Host Port.

Vessel operators and captains/masters are to make sure that any sailing plans or charters scheduled to commence after their vessel has left The Tall Ships Races should be designed so that their vessel can remain in port for the four designated official days and does not have to leave early. Vessels deciding to leave early will have no assistance in doing so from the organisers and must expect pay full commercial rates for tugs, pilots, etc.

I/We agree that my/our vessel will arrive in each host port as outlined above on the first day, comply with public opening and stay until the Parade of Sail on the last day.
