

IVAN RYBALKO

Offshore Sailing Crew / Deckhand / Delivery Crew

Europe / Worldwide • dannyentary911@gmail.com • 1,500+ Offshore NM

Profile

Experienced offshore sailing crew member with over 1,500 nautical miles of sailing experience across the North Atlantic and North Sea. Skilled in watchkeeping, night watches, helm, sail handling, and general deck operations. Physically fit, reliable, and comfortable working long watches and in challenging weather conditions.

Currently seeking offshore passages, yacht deliveries, deckhand positions, and mile-building opportunities. Flexible with routes and destinations, with a particular interest in Northern Europe, the North Atlantic, the Faroes, Iceland, Portugal, Madeira, the Azores, and the Canary Islands.

Sea Service & Sailing Experience

Aalborg, Denmark → Faroe Islands & Local Waters — 02–14 August 2026

Thalassa name of tall ship

- Offshore North Atlantic sailing experience, including the passage from Aalborg towards the Faroe Islands and sailing around the Faroes.
- Completed two official night watches during the passage in demanding waters between the Shetland Islands and the Faroe Islands.
- Responsibilities: helm / steering, sail handling, watchkeeping, general deck duties, and heavy-weather management.

Clipper Stad Amsterdam — Lorient, France → IJmuiden, Netherlands — 08–15 August 2025

- Offshore passage aboard the tall ship Clipper Stad Amsterdam.
- Participated in regular sailing watches and night watchkeeping routines.
- Responsibilities: helm, complex sail handling, deck operations, and offshore sailing in challenging weather.

Key Skills

Offshore watchkeeping & night watches • Helm & precision steering • Sail handling & trim • Deck work & general seamanship • Mooring & anchoring • Basic navigation & chartwork • Team collaboration in watch systems • Heavy weather operations

Current Training

- RYA Day Skipper: Practical training and examination planned for October 2026.
- Further maritime safety and radio qualifications in progress as part of professional sailing development.
